

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Mr. William G. Miller
Staff Director
Senate Select Committee on Intelligence
United States Senate
Washington, D. C. 20510

Dear Bill:

This is just a brief note to express my thanks and appreciation for your friendship and support during the last couple of months or so during the confirmation process. I value our association and will do all possible to continue it and deepen it.

This expression of mine is from one friend to another. I pledge you institutionally, also, the closest constructive cooperation from this great Agency to you, your fellow staff members, and the Committee you serve.

I look forward to the future. It can be a new era. Problems will mark the landscape, I am sure, but I do believe that the opportunities outnumber the difficulties.

Faithfully yours,
